EXPERIENCE

Designer, Web Developer & Web Master

Altitude Comfort HVAC
Remote
08/2013 - Present

I create everything for AltitudeComfort.com using my wide array of skills. The site consistently ranks in the top 10 for several Google searches.

UI Designer & Web Developer

Azeroes
Atlanta, GA
08/2012 - 08/2013

I created several high caliber websites for local Atlanta, GA businesses and decided art direction for sales and branding.

Web Designer & Redesign Team

Technisource
Atlanta, GA
07/2010 - 07/2012

As a part of the redesign team, my main job was to please dissatisfied customers with a new eye-catching design. Management would often come to me with urgent tasks.

Freelance Designer & Developer

SwearenginWebDesign.com
Remote
06/2009 - Present

I currently maintain my own freelancing website and I have worked with several well-established and thoroughly satisfied clients throughout the United States.
